Mayor Alan Cassavant
Biddeford City Hall
Biddeford, ME 04005

Dear Mayor Cassavant,

My neighbors and I are very concerned about the "South Street Connector" and its impact on our fine and safe neighborhood of both elderly folks and families with young children. Does the fact that the City Council (by one vote!) has approved this plan mean it's a "done deal"?

Secondly I have a low cost suggestion to improve the safety of the May's South Street intersection. Add a stop sign for traffic on South traveling toward downtown.

Sincerely,

Bronwen Feeney
