Jerry,

When you have a moment, can you give me a rough idea of approximately how many emails the city processes in total (all systems)?

Thanks,

Subject: FW: Traffic Summary Report - Mail.biddefordmaine.org [172.16.0.20]

Jim

On average we receive 90,000 – 100,000 emails per month. About 3,000 are rejected as spam, virus, or for other security reasons.

On average we send 16,000 to 17,000 per month.

I am waiting for another report to run to validate these numbers. It will take some time to run. These number should be accurate however.

Let me know if there is anything else. Below is a weekly snapshot.

I don't need anything more, just a reasonable average.
