Subject: request for public records in regards to the Freedom of Access Act (FOAA).

March 10, 2017

Dear Jim & Andera,

I am writing to make a request for public records in regards to the Freedom of Access Act (FOAA). This request is for information concerning the City of Biddeford contract for electricity.

Specifically, I would like a copy of the current contract with your electricity supplier, fully executed with confirmation and a listing of supplemental accounts.

Your assistance is greatly appreciated. An emailed file attachment would be most helpful and can be sent to resourceutilityconsultants@outlook.com.

Thank you for your time and help with this request.

I look forward to hearing back from you.

All the best,

Larry Jordan
