Recieved a call from dispatch for a smoke detector activation at above address. Responded with 1 engine and 1 ladder. Arrived on scene of a 3 story multi family and had nothing showing and we investigated. Spoke with occupants who stated that his alarms had been sounding through out the day. We made our way up to the 3rd floor and investigated. No alarms sounding at the time of our investigation. Looks like all new detectors were installed recently. Nothing found. I spoke with occupant and told him to call us back if detectors alarmed again.
Returned to Central.
