NARRATIVE FOR CAPTAIN RICK DUSSAULT

Ref: 15-805-IN

Entered: 02/19/2015 @ 0614 Entry ID: 21700
Modified: 02/19/2015 @ 0614 Modified ID: 21700

Received a call for a water problem at the above address. Dispatched E28 to investigate. Upon arrival met with Norman Bouthot and went to his apartment where FF Guay found a wet ceiling caused by ice and water backage. Management was notified and will respond to correct the problem. There was no water salvaging needed. The leak was very minor only staining the ceiling. 02/19/2015 0617
